

“Identifying Winning Chart Patterns” – Live Seminar with Harry Boxer!

Saturday, January 27, 2007
Holiday Inn Long Beach Airport, Long Beach, Calif.
8 am – 4 pm

Harry Boxer, the distinguished technical analyst and author of TheTechTrader.com, discusses his strategy for picking winning stocks and identifying winning price patterns. His approach is based on more than 35 years of reading technical patterns and indicators. Harry demonstrates how he uses live charting software in making trades, and illustrates his favorite patterns and underlying technical indicators. In addition, Harry provides projections on his own favorite stocks and takes audience questions on stocks of your interest. Former chief technical analyst with AmeriInvest.com and winner of the 1995 & 1996 worldwide Internet stock-market trading contest, "The Technical Analysis Challenge," Harry is widely syndicated and a featured guest on many financial programs and sites, including CNBC and MarketWatch.com.
